

1000# LINEAR POWER ROTATION  
Fully Hydraulic - 3 function

Standpipe Model

1000# Lifting Capacity - 8' Reach

*SILENT - Fully Hydraulic 3 functions. Boom, Hoist, Rotate. Full 360 Continuous Rotation. 70 degree Luff. Remote hand held pendant operated with 9' detachable plugin. Samson Amsteel Blue composite cabling. 20' payout. (Samson is stronger than stainless, and so light it floats) All Composite Rollers for no corrosion factor. 12v, 24v, or 115v. Powered by small stand alone power pack. All Aluminum main body construction. Stainless polished nose. Available in reaches of 7', 8', 9' or 10'. Special lengths available. Painted 3 part Linear Polyurethane to match. (finishing process of Acid Etch, Alodine, 2 part Epoxy primer, Top coat match) Standpipe or Pyramid mounting.*
